DECLARATION REQUIRED WITH APPLICATION

(37 CFR 1.51(a)(2) & 1.63)

Executed in accordance with 37 CFR 1.68

1-00
I, Jorge Jaime Inga, a citizen of the United States, residing at 5804 Mariner Drive, Tampa FL 33609, and having that same address as my post office address, do hereby swear and affirm that I believe myself to be an original, first, true, and joint inventor of a Medical Image System with Progressive Resolution, described in a patent application herewith submitted. FL

I hereby acknowledge my obligation under 37 CFR 1.56(a) to disclose information that is material to the examination of the subject application. =>

I have reviewed and understand the contents of the specification and claims submitted herewith.

This is the third United States application that I have filed on this subject matter, the first application having serial number 07/915,298, which was filed on 07/20/92, the second said application having serial number 08/206,525, which was filed on 03/04/94. I aver that the application submitted herewith is a division of said 07/915,298 and that no new matter has been introduced since 07/20/92. There are no foreign applications for patent or inventor's certificate for which I claim priority.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of any application, any patent issuing thereon, or any patent to which this verified statement is directed.

Executed on this 25th day of May, 1994
